

## **Car Park Renewal 2021/2022**

Application forms to obtain a permit for 2021/2022 are available upon request from the sacristy, after Masses. The cost is still just £15 per vehicle. The new permits will be valid from September 2021 until the end of June 2022 (to avoid the future renewal period coinciding with the summer holidays). Please also note that parking in St. Teresa's car park is done so at the owner's risk.

**Praying for the unborn and women facing crisis pregnancies** "Today we celebrate the feast of St Mother Teresa of Calcutta, patron saint of the pro-life movement. We ask for her intercession as we, the church, seek to support all pregnant mothers through their pregnancies, and that, like her, we would become models of support and charity to all in society. Lord hear us".

### **General Guidance & Rules in the Parish**

Whilst it is no longer required to stay two metres apart from people you do not live with and there is no limit to the numbers you may meet, the guidance goes on to say "in order to minimise the risk at a time of high prevalence, you should limit the contact you have with those you do not usually live with and increase close contact gradually. This includes limiting the number, proximity and duration of social events." This is a note of caution for us in returning to parish activities. There will no longer be restrictions on group sizes for attending communal worship. This allows a return to pre-Covid-19 safety capacities whilst taking into account the guidance of the Bishops of England and Wales.

#### **General guidance in church:**

- Please do not enter church if you are symptomatic.
- Please use hand sanitiser available at the entrance & exits doors of church.
- The wearing of face coverings is encouraged.
- Church stewarding will now end.
- Track/Trace: Parishioners are asked to take personal responsibility by way of scanning the QR code in the church porch on their phones – you will need to download the NHS Covid-19 App to do this.
- The holy water stoop remains unavailable at this time.
- All church pews to open. Socially distanced seating remains available in the two transepts.
- Church windows/doors will remain open to maintain good ventilation.
- Frequently touched areas will be cleaned regularly.

#### **Liturgical Guidance in church:**

- The physical sign of peace remains suspended in the Liturgy of Mass.
- Offertory collection – this will remain in baskets on the tables at the back of church for you to place donations in as you enter/leave church.
- Holy communion will continue under only one kind with no administration of the Chalice. Ministers are asked to sanitise their hands and wear face coverings as before. Holy Communion is still recommended on the hand, though all who wish to receive on the tongue may do so with special care being taken.
- There is no longer a requirement to have a one-way system or other restrictions on movement within our churches so Holy Communion will be administered at the usual time with parishioners able to return to their seats thereafter. People should exercise good responsible behaviour when moving to receive Holy Communion and should avoid getting too close to each other.
