

### The Catholic Certificate in Religious Studies (CCRS)

The Catholic Certificate in Religious Studies (CCRS) is important and relevant for all. The parish community, in collaboration with the home and school, has a privileged opportunity and responsibility to help all concerned to grow in their faith. This is a lifelong process. To achieve this, we need to help those involved with parish catechesis to share this vision and have an adult understanding of their faith. The Catholic Certificate in Religious Studies (CCRS) is designed for people who are engaged in the communication of their Catholic Faith, whether directly or indirectly. It is open to catechists, people involved in liturgical work and other interested adults. The CCRS can provide general theological knowledge and offer a better understanding of the Catholic faith. It will help participants to increase their practical application of the faith in their ministry in the Church. It provides the means to accurately and effectively communicate the principles of Catholic teaching.

For more details about start dates, fees and your nearest centre please visit the CCRS Website [www.brs-ccrs.org.uk](http://www.brs-ccrs.org.uk) or call us on 0207 901 1900.

### **CHRISTMAS CRIB For St. Teresa's**

We are pleased to announce that we are hoping to raise enough money for Father Anthony to buy some new Christmas Crib Figurines for the church. It would be wonderful if we could raise enough over the next few months to have a beautiful crib in place for this Advent. It would be something very special, to be appreciated by everyone. We are open to fund-raising suggestions and offers of help. It would be great if we could make this a project for the whole church community. We are proposing to hold a preliminary planning meeting in the church hall on Friday 21<sup>st</sup> July at 10.00. All are welcome. Please let Debra Murphy or Aileen Broomhead know if you would like to help but cannot make the meeting. We would love to hear from you. In the meantime, any monetary contributions can be given directly to Father Anthony or Patrick Murphy. Thanking you in anticipation of your support.

### **"The Bureau of Second Chances" - a new novel by one of our parishioners, Sheena Kalayil**

"My novel *The Bureau of Second Chances*, published by Polygon Birlinn, follows Thomas Imbalil, who after more than thirty years in London, returns to Kerala, India, when his wife dies. He finds that the physical return to his homeland is also a reminder of his younger self; his hopes and dreams. While the themes of the novel - love, loss and parent-child dynamics - are universal, I set this novel in Kerala because I wanted it to read like a moral fable. Kerala, with its fishermen, the sea, and the piety that pervades, offers many tropes from a Biblical parable. And along with Thomas's personal journey, the story also explores social and gender issues in India. *The Bureau of Second Chances* is now available at Waterstone's Wilmslow, and from Amazon. I hope if you choose to read it, that you will enjoy it!"
