Wilmslow Wells for Africa – AGM: Monday 9 October 2017

You are warmly invited to our AGM, when we will welcome Ian Sanderson to talk about the work of Afrinspire, in Uganda. **The meeting will take place at Wilmslow Methodist Church, Water Lane, Wilmslow SK9 5AR at 7.30 pm on Monday 9th October.** We have partnered them in a number of projects including the building of water tanks. Prior to the building of these tanks, the nearest water for many community members was a borehole four miles away. Now, instead of queuing daily to bring buckets of water back to their home, people can store up to 7000 litres in each tank, enough to ensure a safe and reliable supply for six families throughout the dry season. Do come and hear more about their work and how the money that you have helped us raise is used in bringing clean, safe water in this and other ways to communities in rural Africa. Light refreshments will be served.
