Churches Together will have a presence at this year’s Wilmslow Show on Sunday, 9 July from 11 am until 5 pm., on the Carnival Field, Wilmslow, SK9 5NG. The celebrated band, ‘Epiphany’, will provide ‘sound portraits’ to visitors, there will be opportunities for people to express themselves in prayers, information will be available on what services the churches/chapels offer to the wider community, and members will be available to spread the message of what our faith communities offer in worship, activities and fellowship. Pope Francis wants to hear what you think!

In the lead-up to the Synod on Young People, the Faith and Vocational Discernment, Pope Francis told young people the Church “wishes to listen to your voice, your sensitivities and your faith; even your doubts and your criticism.” Young people (13-29) in England and Wales can do so in an online poll. There is a different poll seeking the views of anyone who is a parent, grandparent, teacher, chaplain, youth worker, priest - or anyone who regularly engages with young people. The information collected will contribute to the working instrument for the Synod scheduled for October 2018 in Rome. The two online surveys created by the Bishops’ Conference of England and Wales will be open until Friday 30th June 2017 to collect views, and should only take around 20 minutes to complete.

If you have any questions, please email synod2018@cbcew.org.uk

Day for Life – Sunday 18th June 2017 – Retiring Collection This Weekend

Each year, *Day for Life* provides an opportunity to reflect on the dignity of every human person, both young and old, and to pray for and support all life from conception to natural death. This year's *Day for Life* provides us with an opportunity to reflect, to pray and to offer practical & emotional support, especially for those who have lost a child and for those women who are anxious about their pregnancy.

There will be a retiring collection this week to support the crucial work of Day for Life that will enable the Church to fund the Anscombe Bioethics Centre (formerly the Linacre Centre), as well as projects that seek to care for life at every stage and in every condition. Please visit www.dayforlife.org
