Glastonbury Pilgrimage 2017 – Sunday 9th July 2017

"You are invited to take part in the Clifton Diocesan Annual Pilgrimage to Glastonbury. Although it is reputed to be the cradle of Christianity in the U.K., it is very sad that nowadays Glastonbury is more famous as a centre of occultism and New Age ideas and practices, growing up around the ruins of the ancient abbey. Sadly, most people associate this holy land with the rock festival instead of our first Christians and martyrs. Let us gather all the parishes of the country in prayer together to show the power of God and to sanctify this place." **Please see poster for further details.**

Father Peter Edmonds SJ Welcome

This weekend we are again pleased to welcome back Father Peter Edmonds SJ, who is kindly saying masses for us in Father Anthony's absence. Father Peter will also be staying with us next week to say the weekday mass on Monday, and will concelebrate daily mass thereafter with Father Anthony until Thursday.

Father Anthony, Deacon Michael & fellow pilgrims will return on the evening of Monday 22nd May. **In case of any emergency until their return, please contact Father William O'Riordan at St. Benedict's, Handforth on 01625-522-776.**

Youth Mission Team – Diocese of Shrewsbury

The Diocese is seeking to establish a Youth Mission Team and there are two vacancies, for a Director of the Team and for a Team member.

Details can be found on the poster displayed on the noticeboard or on the website at <http://www.dioceseofshrewsbury.org/about-us/curia/vacancies>. The establishment of this team has been made possible through the Our Mission Together initiative and the generosity of those parishes which have already taken part.

Feast of the Ascension of the Lord; World Communications Day; Sun 28th May

From the Catholic Bishops Conference of England & Wales:

In his message for World Communications Day, Pope Francis says: "...we have to break the vicious circle of anxiety and stem the spiral of fear resulting from a constant focus on 'bad news' (wars, terrorism, scandals and all sorts of human failure). This has nothing to do with spreading misinformation that would ignore the tragedy of human suffering, nor is it about a naïve optimism blind to the scandal of evil." In our task as 'Missionary Disciples' we all have our part to play and a mandate to both live and communicate the Gospel to all people using all the means at our disposal. In this digital age of immediate communication, never before has it been so necessary that we "...contribute to the search for an open and creative style of communication that never seeks to glamourise evil but instead to concentrate on solutions and to inspire a positive and responsible approach..."
