The Carmelite Monastery, Birkenhead – Urgent Appeal

“Dear friends of Carmel, can you help us? We are currently launching an appeal for help in trying to raise £100,000 for repairs and renovations to our Monastery and Extern house. Owing to the recent heavy rains, the roofing on the Monastery has suffered greatly. We are faced with enormous bills for repairing and replacing rotten timbers, flat roofs have had to be repaired, and our old, inactive security system needs replacing inside the Enclosure. In addition, the wooden window frames all have to be repainted before the winter, some, even need to be restored completely. We would be very grateful for any help you can give us, no matter how small. Please be assured of our constant prayers for all your intentions. May God Bless you, Deo Gratias, Reverend Mothers and Sisters.”

Parish Maintenance Work Information: Church Roof & Parish Hall Boiler

(1) A small leak was discovered recently over the church sanctuary during heavy rainfall. A roofer will be undertaking urgent repair work soon.

(2) The boiler in the parish hall has recently broken down and has been declared as beyond repair. A new boiler is currently being sought – until a new one is fitted, please note there will be no hot water or radiator heating available in the parish hall.

Food Link, Colshaw – Summer Holidays Appeal The need to contribute food continues and is greater during the summer holiday period owing to the absence of free school meals. Please give as generously as you can. The SVP have recently sent a generous donation.

Could you help to donate food to struggling families? We are very grateful to receive the following food donations: dried pasta, pasta sauces, cereals, tea, coffee, sugar, and tinned foods (pies, soups, beans, fruit, veg, meat, fish, etc.). Please leave donations in the box at the back of church.

Parish Hall Lawn Warning – PLEASE KEEP OFF THE GRASS! We are currently undertaking riddance treatment on the parish hall lawn to control a rodent problem. We ask all parishioners (and any of their pets) to please keep off this lawn at this time. The treatment is expected to take another week or so.
