

## **Crafternoon Mental Health & Dementia Awareness Weeks at Wilmslow Library**

Wilmslow Library are hosting a morning Crafternoon and raising money for the charity *Mind* to mark Mental Health Awareness Week which runs between May 8<sup>th</sup> and 14<sup>th</sup>. The brilliantly crafty Grace Brearley will be joining us for a mindful morning of sewing and stitching, as we create lavender sleepy-bears: very simple mindful bears which are perfect for beginners, or can be embellished by those more adventurous crafters. All abilities are welcome to pop in for a bit of like-minded company, a cup of tea and a craft. Materials will be provided, keep your creation for yourself or make one for a friend or relative in need.

**2) Social Action:** *Strengthening and advancing our parishes by responding to local needs.* The Children's Society has been refounded as 'Caritas': there is much social needs among adults as well as among children. 'Poverty' is not just material need, though, as we know, there is considerable material poverty within our boundaries.
